School Board Priorities Survey

March 2018

The Dufferin-Peel Catholic District School Board is seeking feedback from parents, guardians, staff, and community members about what the board's budget and system priorities should be for the 2018-2019 school year. These priorities will also support longer term strategic planning in the board.

Stakeholders are encouraged to review the Board's [2018-2019 Budget Information](#), [Financial Statements](#) and [2014-19 Strategic System Plan](#) for an understanding of how board funds may be used. This information can be also accessed through the School Board Priorities Survey button on the main board webpage at www.dpcdsb.org, or a similar button on any Dufferin-Peel Catholic school website.

Feedback will be collected through an anonymous online survey that asks participants to consider the importance of a variety of initiatives and resources that may be supported through the system's finite, available funds.

The survey is brief and takes approximately 10 minutes to complete.
